An Innovative Model of Care for High Performing Hyperacute Stroke Teams

March 2, 2022, 0800-0900h

Objectives: Upon completion, participants will be able to:

1. Appreciate the importance of high performing teams in providing rapid, coordinated care in hyperacute stroke assessment and management
2. Describe the development of an innovative model of hyperacute stroke care, specifically the role of the specialized Code Stroke Nursing
3. Identify the impact of this new role and model of care on process and outcomes
